**Seed
vs
CEMENT**

In a world where success is often glorified and failure is stigmatized, speaker Kim Vermaak brings forth a refreshing perspective in her talk, "Seed vs. Cement: Embracing Failure as the Catalyst for Meaningful Growth."

This talk is perfect for:

Leaders who have experienced setbacks, struggles with fear of failure, or seek inspiration to navigate life's challenges with resilience and determination.

Attendees will walk away with:

A renewed perspective on failure: Understanding that failure is not the end but rather a necessary part of the journey towards success.
